1. Aims of this Policy ¶

This Home School Agreement Policy encapsulates our belief that parents are a child's first and most important educators. It is designed to help achieve the highest possible standards of achievement through close communication and effective partnership with parents. At the end of this policy is the Home-School Agreement. Parents are asked to read carefully and then sign the declaration.

2. Scope and publication ¶

This Home-School Agreement Policy applies to all pupils and their parents. This policy is available on the school website and is provided to all parents in the Admission Packs for all new starters. This policy can be made available in large print or other accessible format if required.

In drawing up this policy and agreement we reviewed current practices in communicating with parents and pupils.

3. Relationship to other policies ¶

This policy relates most closely to the Homework, Behaviour and Pupil Registration Policies. It impacts on our approach to communication, and our aims and values.

4. Ethos of the School ¶

The ethos of the school is to foster positive relationships between all members of the school community, including all pupils, parents and staff. Bullying, harassment, victimisation and discrimination are not tolerated. The school will act fairly in relation to pupils and parents and we expect the same of pupils and parents in relation to the school and its staff.

5. Communication with parents ¶

Excellent communication with parents is essential to the ethos of the school and is encouraged through a variety of methods:

- the school's Facebook page;
- the school's Twitter feeds;

6. Consultation ¶

Regular consultation with parents/carers is also an integral part of the school's ethos. We always endeavour to take account of the views and feed back of parents and carers.

This will include consultation on general levels of satisfaction with education provision, selected aspects of the school's work and on the impact of specific initiatives.

Methods used will include:

- surveys / questionnaires conducted by the school or commissioned by professional companies and external agents;
- face-to-face interviews;
- phone interviews;

7. Success criteria ¶

The success criteria for judging the effectiveness of parent/carer engagement strategies are:

- parents/carers feel welcome when they come into the school and report that they have ready access to the staff they need to meet;
